BESLER ANNOUNCES Sherin Promotion to President and CEO

(PRINCETON, NJ, June 10, 2008) BESLER Consulting, a leading financial and operational consultancy to healthcare providers, has announced that Brian P. Sherin, will become the firm's new president and CEO effective immediately, according to Philip A. Besler, company founder.

Mr. Sherin, who joined BESLER Consulting in 1994, has been the firm's vice president for the last 8 years. He is considered by many to be an expert in the Medicare Outpatient Prospective Payment System (OPPS). Jeffery A. Lampman moves into the newly created position of executive vice president and continues as chief operating officer.

Mr. Besler will continue his active role in defining the firm's direction and developing innovative solutions for its clients.

About BESLER Consulting

Founded in 1986 to offer reimbursement services to acute care hospitals, BESLER Consulting today provides consulting expertise in a number of other areas including coding, revenue cycle management, compliance, accreditation, cash acceleration and underpayment recoveries, chargemaster analysis, and disproportionate share reimbursement in a variety of settings.
